

2022 Fall Preschool Soccer Program

Gilford Parks and Recreation is pleased to offer this exciting soccer program for Preschool Students ages 4 & 5

This fun program will focus on games and activities associated with soccer. The basic philosophy is for all of the kids to have fun while at the same time learning teamwork, following directions and developing a true sense of sportsmanship. For this reason, this program will be geared toward getting the kids comfortable with the ball, focusing on development of their skills with a basic introduction of the game. Some of the skills we will be concentrating on are: Kicking, Dribbling, Passing and Ball Control.

Drop off your child at the Gilford Village Field at 1:45pm as they will meet Coaches Jenny and Sue for some soccer fun! Pick up will be promptly at 2:45 PM at Village Field Gazebo. Each child will need a snack, water bottle, and proper footwear (Cleats are encouraged but not required). This is an outdoor athletic program so please dress for active outdoor conditions.

Cost is \$25 per child and includes a t-shirt and medal. We will meet on the following days:

Friday, September 16
Monday, September 19
Wednesday, September 21
Wednesday, September 28
Friday, September 30

In the event of rain, soccer will be held in the Gilford Youth Center and the pick-up location will be there as well. Any change in location will be announced on our program announcement line at 527-4723. This program will have both a minimum and maximum participation. Please register through the Gilford Parks and Recreation Department by calling 527-4722. All participants must have form and payment submitted prior to first day.
