

REQUEST FOR PROPOSALS ADDENDUM #1

TRANSPORTATION OF SOLID WASTE MATERIALS

Issued by: Town of Gilford, Department of Public Works, 55 Cherry Valley Road, Gilford, NH 03249

The Town of Gilford issued a Request for Proposals (RFP) on November 1, 2022, for the transportation of solid waste materials from the Gilford Solid Waste Center, located at 100 Recycle Way in Gilford. Any questions on the RFP were due, via electronic submission, by November 7, 2022 at 12PM. The following details questions/comments were received and below are the Town's responses.

Questions/Comments:

1. Can you supply us with the number of annual MSW hauls as well as the number of annual Demo hauls?

Response: The Gilford Solid Waste Center opened in January 2020 and the following is known and projected haul and tonnage data:

| MSW | 2020 | 2021 | 2022 YTD | 2023 Est |
|---------------|------|------|----------|----------|
| TOTAL TONNAGE | 951 | 1137 | 742 | 1200 |
| TOTAL # HAULS | 96 | 116 | 88 | 120 |
| | | | | |
| DEMO | 2020 | 2021 | 2022 YTD | 2023 Est |
| TOTAL TONNAGE | 560 | 766 | 504 | 600 |
| TOTAL # HAULS | 99 | 115 | 82 | 100 |

There is no change to the Bid Documents or Bid Sheet.

End.
